Sonoma Girl Scout Day Camp
IMPORTANT CAMP INFORMATION

Sonoma Day Camp maintains conservative and modest standards for dress and conduct. Our goal is to have a comfortable, fun and safe camp atmosphere while not causing distraction and offending others. Staff members reserve the right to request a change in attitude and/or dress.

What to Wear

A dress code has been implemented to ensure the comfort and safety of all Girls Scouts. ONE short-sleeve camp t-shirt* will be included in the registration fee and provided to the girls on the first day of camp (you may purchase a 2nd shirt for an additional \$10). We ask that the girls wear this shirt to camp each day for identification purposes (expect to wash it frequently). Alterations to the camp shirt will not be permitted. Girls may also wear long pants or shorts that hit just above the knee (NO "short-shorts" or bare shoulders). Durable shoes with closed toes and laces and long socks are required (i.e. sneakers or hiking boots - No sandals, clogs, crocs or flip-flops). Please apply sunscreen and insect repellent before arriving at camp.

*Camp T-shirt: One T-shirt is included in the registration fee for each camper (including Boys/Pixies). Be sure to order the correct size at the bottom of the "Camper Information Sheet." Once t-shirts are ordered they **cannot** be returned or exchanged.

Expected Camper Behavior:

All campers are expected to abide by the Girl Scout Promise and Law. In an effort to ensure the safety of campers and an orderly camp, the Camp Director reserves the right to dismiss any camper, without refund, for reasons of safety or inappropriate behavior. If a camper is dismissed from camp, the Camp Director will have the parent/guardian pick up the camper immediately from Sonoma Day Camp. By sending your child to Sonoma Day Camp, you are agreeing with this policy. Our hope is that we never have to enforce this policy.

Our camp also practices a 'Zero Tolerance' approach to all types of violence and bullying. All campers are expected to demonstrate behavior that respects the rights of others. Campers are instructed to speak out if they see or feel that someone is not being treated appropriately. Campers exhibiting inappropriate behavior will be sent home WITH NO REFUND.

Because our day camp schedule is full of activities each day, we also expect campers to be dropped off and picked up on time.

First Aid

For the health and safety of all campers, we request that campers with contagious diseases or conditions (including lice) not attend camp. Sonoma Day Camp has a "nit-free" lice policy.

Medication

Any over-the-counter or prescribed medications must be in the original container, labeled with the child's name and sent to the Day Camp Nurse with written instructions on dosage and time to be administered. In certain cases, such as inhalers (which must be with the camper at all times) a note of necessity must be on file with the Day Camp Nurse. Epi-pens will be kept in the Nurse's Station.

Sonoma Day Camp welcomes girls of all abilities and needs. If your camper has special needs, please let us know immediately so that we can make appropriate accommodations. Please indicate any special needs on the Camper Information Sheet.

Because all of our campers have the opportunity to cook and will come in contact with many types of food during camp, food allergies are of special concern. If there are any food allergies that we need to know about please let us know as soon as possible and on the Camper Information Sheet and Health History form. While we will do our best to accommodate any special dietary needs, we are not able to provide a completely nut-free environment at camp.

Transportation

Transportation to and from camp the camp drop off location will be arranged by each individual girl and their family.

Carpooling

Carpooling is strongly encouraged for drop-off and pick-up. We will need to have the appropriate forms completed to allow your child to be released to anyone other than their parent/guardian and will help you with this as camp approaches.

Weather

Camp is held rain or shine. Campers will be spending the day in the outdoors so dress appropriately for the weather.

In the event of a major incident and the Camp Director deems it necessary to evacuate the camp to ensure the safety of the girls, we ask that your emergency contact be available during camp hours.

You will receive a letter informing you of the following: unit number, unit leader(s) and any additional supplies requested by the unit leaders. Emergency phone numbers will also be included.

C.I.T. Level Descriptions

C.I.T. 1 – Unit Leader Assistant

Your first year as a C.I.T. uses your strengths and talents to work with campers in a unit. You will be assigned to a unit of 8-12 younger girls for the whole week and act as the Assistant to the Adult Unit Leader. You will help to manage the girls and take charge of important program elements for the campers. It is your responsibility to keep the unit on time and moving from activity to activity. You will have special training with other level 1 C.I.T.s as well as special assignments to help with larger program elements. If you complete the week successfully at camp you will be awarded your official metal C.I.T. whistle and bridge up to a level 2 C.I.T.

C.I.T. 2 – Program Assistant

Your second year as a C.I.T. comes with increased responsibility. Not only will you be assigned to a unit, but you will also have program responsibilities. This summer you will use your skills and talents to help assist in one of the program areas at camp (i.e. archery, arts & crafts, cooking, etc.) that will be assigned to you. You will work in cooperation with the adult program director for that activity and help where needed. You will be responsible for knowing your program elements for the day and for teaching the campers when they rotate into your station. You will have special training with other level 2 C.I.T.s as well as special assignments to help with larger program elements. If you complete the week successfully at camp you will be awarded your official camp water bottle and bridge up to a level 3 C.I.T.

C.I.T. 3 – Program Leader

Your third year as a C.I.T. comes with even more program responsibility. This summer you will apply to be for a specific program area but you will work in advance of camp to plan, budget and shop for the necessary equipment needed to make the program a success. You will lead the program during the day when girls rotate into your station. You will help to manage any level 3 C.I.T.s in your program area. It will be your responsibility to keep the program running smoothly and on time. You will have special training with other level 3 C.I.T.s as well as special assignments to help with larger program elements. If you complete the week successfully at camp you will be awarded your official camp backpack/tote bag/duffel and bridge up to a level 4 C.I.T.

C.I.T. 4 – JR Unit Leader/ JR Camp Administrative Staff

Your fourth and final year as a C.I.T is super exciting. This summer you will have an option to either act as the Unit Leader for a group of girls or work in more on an administrative position to help run camp (i.e. Camp Director, Health Director, Program Director, etc.). All of these positions require a significant amount of work and preparation starting in January-June. You would be responsible for many different parts of camp and be considered “staff” for the week. This means you will also attend staff training with other adults during the week. You will have special training with other level 4 C.I.T.s as well as special assignments to help with larger program elements if needed. If you complete the week successfully at camp you will be awarded your official adult coffee mug and bridge up to an adult volunteer for future camp sessions.

C.I.T. REGISTRATION FORM

Please complete this form individually for each individual C.I.T. Applicant (Girls entering 9th-12th Grade next fall)

Program Fee: Includes activities, meals, crafts, all camp lunch on Friday, t-shirt, fun patch, unit photo and more! Financial Aid is available.

Expectations & Responsibilities

A positive attitude is the most important quality of a good C.I.T.

I will exhibit cheerfulness and enthusiasm at all times especially during kapers, cooking, first thing in the morning, and last thing at night. When events do not go according to plan, I will not panic, but will have a calm and accepting attitude so as to influence the campers in a positive way. I understand that my attitude is the most important thing I have to offer and has more impact on the campers than any other staff member.

I will use language that is supportive to the campers.

I will be careful not to use slang loosely as the campers and other staff members can easily misinterpret it. I will try to keep this in mind and think first before I speak. I understand that sarcasm has no place in Camp.

I will try to treat all the campers equally and fairly.

I will refrain from playing favorites or discriminating in any way. I will handle clinging campers gently and without sarcasm. I will support all of the campers' efforts equally no matter how small or insignificant the attempt may be. I understand that all campers have the right to a successful experience at Day Camp and that how I communicate and offer my friendship is a key factor in that success.

I will make every attempt to encourage and allow the campers to do for themselves.

I will not take over their tasks be it a craft or a chore, but will help support, and encourage them to do for themselves in order for success and independence to grow.

I will exhibit respect for the campers and unit leaders in the way I communicate.

I will listen to suggestions calmly and respectfully communicate my problems to my unit leaders or to my aide Advisor if necessary. I will express my concerns as soon as possible to an appropriate adult.

I will be a good example to campers by participating enthusiastically in all activities, kapers and projects.

I will follow all the rules of Day Camp and thus be a good role model at all times.

I realize that my role in a unit will be to help teach the campers songs, games, skills, nature, and all other aspects of camp life.

I accept being part of the unit staff as a different responsibility than being a camper. In this capacity, I will try to be sensitive to the needs of the campers and the unit leaders.

I will treat my fellow C.I.T.s as part of a team working together for the success of everyone at Camp.

I will share everything possible, including but not limited to my skills, knowledge of camp life, friendship, responsibilities, and cooperation. These attitudes will be extended to include the C.I.T. overnights including sharing food, chores, and other projects.

I will behave in a cheerful, positive and mature fashion, showing leadership, responsibility, cooperation and knowledge as expected of a C.I.T. at Sonoma Girl Scout Day Camp.

Girl Scout Service Unit #103 - Sonoma Day Camp
C.I.T. Important Information

SECRET SISTERS

You will be assigned a Secret Sister for the week once camp gets closer. We will give you a copy of the questionnaire that she filled out so you know some more information about her. Just a heads up that you will need to bring AT LEAST SIX (6) (one for each day Sunday-Friday) **inexpensive** items to give to your Secret Sister (small snacks, stickers, playful toys, etc.) Think dollar store type items that are safe and appropriate for camp. Then at camp you can write notes and make crafty items to also give her.

THEME & DAILY DRESS-UP OPTIONS:

Please check our website to learn what this year's camp theme is. We welcome and encourage C.I.T.'s to bring items they can use to dress up each day to match the theme – remembering that they must wear their unaltered camp t-shirt the whole time. Please start shopping now and planning ahead to bring some festive outfits and accessories to show your spirit!!!

C.I.T. UNIT DECORATIONS

If you have been to our camp before then you know the C.I.T. unit gets decorated. If you have cool ideas for decorations that we can use to make OUR OWN unit AMAZING – feel free to bring them. (we have the xmas lights covered). Please start shopping now and planning ahead to bring some festive decorations to decorate our C.I.T. unit!!!

FOOD

Please email me if you have special diet restrictions as we are doing the menu planning now.

SPENDING THE NIGHT

As C.I.T.'s you will spend the night beginning Sun through Friday. You will be excused after camp on Friday at **5pm – NO earlier** (that's is one hour after camp ends so you can clean up your own unit).

Wednesday you will have the night off to go home* and shower at 4:15pm and then meet back up for dinner in Sonoma at the Marys Pizza in Boyes at 6pm before we go back to camp for an evening program with the Cadette campers.

**For the girls who live outside of Sonoma or Glen Ellen – we can help to make arrangements for you to partner and go home with another local girl on Wednesday for a shower before we meet back up for dinner.*

You will sleep in tents for the week – so you might want to bring air mattresses or foam to sleep on. **NO FOOD WILL BE ALLOWED IN TENTS.**

Below is a list of some of the extra items that you **NEED** to bring to have a successful week at camp. Make sure to gather these items ahead of time.

WHAT TO WEAR

A dress code has been implemented to ensure the comfort and safety of all Girls Scouts. A short-sleeve camp t-shirt* will be included in the registration fee and provided to the girls on the first day of camp. C.I.T.'s will be expected to wear this camp t-shirt daily. At 4pm each day they will turn them into me (name written on tag with sharpie marker) and we will have them washed and returned to camp by 8am the next morning for them to wear clean each day. Alterations to the camp shirt will not be permitted. Girls may also wear long pants or shorts that hit just above the knee (NO "short-shorts" or bare shoulders). **Durable shoes with closed toes and laces and long socks are required** (i.e. sneakers or hiking boots – **NO sandals, clogs, crocs or flip-flops**).

**Shorts must be of camp appropriate length. For example, with your hands at your sides, your shorts should be longer than your fingertips or you will be asked to change (No booty or short-shorts will be tolerated)

Please bring sunscreen and insect repellent to wear daily.

After camp ends and campers have gone home daily at 4pm – C.I.T.'s will be allowed to change into tank tops if desired – closed toed shoes are still required. Flip Flops will be allowed in our unit at night after all camp activities are over to go from tent to biffy. For camp activities – like campfires at night, archery, etc – t-shirts socks and closed toed shoes will need to be worn.

ELECTRONICS: In general we would prefer these items be left at home – if C.I.T.'s want to bring them (cell phones, iPods, etc) – they can be checked in with us for the week and girls will occasionally be allowed 30 minutes in the evening to check in with FAMILY (not friends or facebook etc.). If you don't hear from your C.I.T. – don't worry she is just busy having fun and forgot to call. Please note - if we find these items in the tent – they will be taken for the rest of the week. There is no electricity at camp – so chargers, curling/flat irons etc are not needed. Phones should be in off mode when turned in to preserve battery.

C.I.T. Packing List

PACKING LIST

*Below is a list of items that are a **MUST MUST MUST** for every C.I.T. – please check everything off as you pack!*

1. **WATCH** - to tell time (you won't have your cell phone or iPod with you during the day time when campers are present – ALL C.I.T.'s MUST wear a watch everyday)
2. **BACKPACK** – All C.I.T.'s should have a backpack to use during the day. Counselors should be prepared for the campers in their unit and might need to carry items for their campers.
3. **SACK DINNER & DRINK** – a healthy dinner and drink is needed for Sunday night Dinner
4. **WATER BOTTLE** – durable and refillable - labeled with your name.
5. **CLIPBOARD** – Every PA should have a clipboard with a pen and sharpie attached to it
6. **T-SHIRT FOR TYE DYE**– Each C.I.T. needs to bring one white or light colored t-shirt that is 100% cotton for tye-dye. We will not have extras – so if you want to tye-dye you must bring an item to dye.
7. **BEACH TOWEL & BATHING SUIT** – you will need a beach towel for some activities – please bring one. Bathing suit if you want to hose off and get clean or cool off after camp.
8. **FLASHLIGHT or HEADLAMP** – it's dark out there at night.
9. **TALL CAMPING CHAIR** - You will need to bring your own outdoor chair to sit at a table with (not a low beach chair). Again this chair needs to be tall enough to eat at a table with.
10. **2nd CAMP CHAIR** – some of you might want to bring a second chair that can be left in the unit you are assigned to so that you do not need to carry your chair back and forth each time you come and go from our unit (lunch etc.)
11. **MEDICATIONS** – any medications you take need to be turned into the camp nurse in original containers.
12. **FEMININE SUPPLIES** – If it is at all possible that you might have/start your monthly cycle - PLEASE bring supplies. As a woman it is always smart to have these supplies with you just in case.
13. **SNACKS TO SHARE** – We ask that you each bring a selection of snacks or fun treats to keep in the unit snack box – these would be made available to share with all C.I.T.'s not just for you – so bring enough to share. No gum and no snacks that need refrigeration – think chips, trail mix, jerky, crackers, fruit snacks, etc.
14. **SHOES & SOCKS** – sturdy outdoor or sports shoes that tie WITH socks must be worn daily. Slip on shoes not really appropriate
15. **WARM LAYERS FOR NIGHTS** – it gets chilly at night – please bring warm PJs, sweatshirts, extra blankets!
16. **SECRET SISTER ITEMS** – remember: AT LEAST SIX (6) small, inexpensive, funny and creative
17. **EXTRA T-SHIRTS - DAILY** to wear after camp because we will be washing your camp t-shirt
18. **LAUNDRY BASKET** – just bring an empty laundry basket (larger one better) - you can even get a cheap one if the family needs all the ones you have in the garage. Don't ask – just pack it! It will come in handy!
19. ****You may be contacted with additional items that are required – watch your email for more information**

OTHER GREAT ITEMS YOU MIGHT WANT TO BRING

These items are suggestions to make your week more comfortable.

- **HAT/SUN GLASSES** – it will be sunny and warm out a hat is always a good idea, labeled with Campers name.
- **LAYERS/CLOTHES** – sweatshirt/jacket; extra shorts or long pants in backpack, all labeled with name. Gloves and hat for by campfire
- **CAMERA** – disposable camera is perfect – use a sharpie and write campers name on it. You will not be able to use your phone as a camera – so if you want to take pics you need to bring an actual camera.

- **SLEEPING BAG / AIR MATTRESS / PILLOW / EXTRA BLANKETS** (could get cold at night)
